- Design venue branding and event-related visual materials, including backdrops, signage and other print materials.
- Prepare and adapt graphic files for print and digital applications, ensuring compliance with technical specifications.
- Design and prepare LED screen content, including static and animated graphics for events and competitions.

- Prepare thumbnails, manage video uploads and organisation on the ETTU YouTube channel.
- Edit photos and videos on site during ETTU events.
- Select, edit and upload photos from ETTU photographers to Flickr and manage and maintain the organisation's photo and video archive.
- Give administrative support to the Marketing Manager when needed.
